- |            |                          |          |                          |
|------------|--------------------------|----------|--------------------------|
| Andrews    | <input type="checkbox"/> | Brewster | <input type="checkbox"/> |
| Crane      | <input type="checkbox"/> | Crockett | <input type="checkbox"/> |
| Culberson  | <input type="checkbox"/> | Ector    | <input type="checkbox"/> |
| Jeff Davis | <input type="checkbox"/> | Loving   | <input type="checkbox"/> |
| Pecos      | <input type="checkbox"/> | Presidio | <input type="checkbox"/> |
| Reeves     | <input type="checkbox"/> | Reagan   | <input type="checkbox"/> |
| Terrell    | <input type="checkbox"/> | Upton    | <input type="checkbox"/> |
| Val Verde  | <input type="checkbox"/> | Ward     | <input type="checkbox"/> |
| Winkler    | <input type="checkbox"/> |          |                          |

**3. Do you think the Watershed Protection Plan (WPP) provides a good overall assessment of current conditions in the Pecos River Basin of Texas? If no, please indicate which areas of the document need improvement and provide appropriate suggestions for those areas.**

Yes     

No       

**4. Do you feel that the management measures proposed in the WPP will adequately address their associated area of concern? If no, please specify those management measures that you feel are deficient and provide any improvements or appropriate management measures that you feel will adequately address the area of concern.**

Yes     

No

**5. Do you think the water quality goals outlined in the WPP are attainable? If no, please indicate what goals are not attainable and why.**

Yes

No

**6. Do you feel that there are major issues that are not adequately addressed by this WPP? If yes, please indicate what those issues are and provide any suggested management measures that you can think of.**

Yes

No

**7. As a private landowner, would you be willing to participate in the management measures described in this WPP?**

Yes

No

I am not a private landowner in the basin

**8. What specific changes not already addressed would you suggest be made to the WPP?**

**9. Please provide any additional comments or concerns related to the WPP in the space provided.**

Please mail or fax this comment form to Will Hatler, Project Coordinator.
